About Us

Founded in the year 1999, we "Shreeji Enterprise" are a dependable and famous manufacturer of a broad range of Cooking Spices Powder and wide range of masala for potato chips, Fryums or pellets, Namkeen, farsan, khakhara etc.

We provide these spices in bulk amount to attain the complete satisfaction of the clients. We are a Partnership company which is located at Rajkot (Gujarat, India) and constructed a wide and well functional infrastructural unit where we process these spices as per the set food industry standards. Under the supervision of our skilled work force, we have gained huge clientele across the nation.

QUALITY POLICY PROCESSES

Quality has played an important role in every surface of our business activity. An evidently distinct Quality Management System ensures that quality policies are implemented at every level of organization. Promise to continuous improvement and meeting the customer's prospect provides foundation for our quality management system. The products manufactured by us, go through meticulous quality control checks to make sure excellence in quality. We have fundamentally enhanced quality by using path-breaking technology and endeavor to improve the quality of the entire range of products manufactured by us. Employees are confident and trained to put into practice quality management system and appraisal its efficiency at standard intervals. We aspire to go beyond the expectations of our customers in terms of quality.
